

### Remarks

In the office action, the Examiner rejected claims 1-2 and 4-9 pursuant to Section 102(b) on the basis of Bechtolsheim *et al.* Claim 1 has been amended to incorporate the limitations of allowable claim 3. This amendment also addresses the objection to claim 2. Claims 4 and 5 have been amended to depend from claim 1.

New claim 35 comprises allowable claim 10 rewritten in independent form. New claim 38 comprises allowable claim 13 rewritten in independent form. The claims depending from claims 35 and 38 are consequently also allowable.

For the foregoing reasons, reconsideration and allowance of claims 1 and 4-39 of the application as amended is solicited. The Examiner is encouraged to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.

Respectfully submitted,

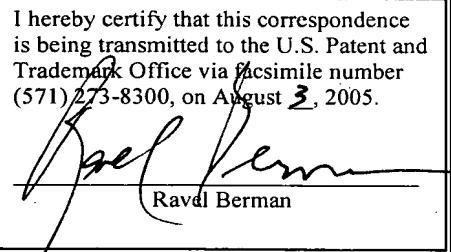

MARGER JOHNSON & McCOLLOM, P.C.
